COMMONWEALTH OF VIRGINIA

**STATE CORPORATION COMMISSION**

AT RICHMOND, AUGUST 4, 1999

APPLICATION OF

BELL ATLANTIC-VIRGINIA, INC.

CASE NO. PUC990089

For approval of tariff  
revisions to introduce  
CALL54® Service and  
Classify it as Competitive

SUPPLEMENTAL ORDER

In its Order Prescribing Notice, Inviting Comments and Setting Hearing, issued June 11, 1999, the Commission noted that "there are public interest issues of privacy and safety that are raised by Staff's Motion . . . [and] [u]pon review of any comments that are filed, the Commission may later consider receiving testimony concerning the public interest effects of CALL54® Service in a hearing to be convened, pursuant to § 4.A of the Plan".

Following publication of notice as prescribed, a total of 28 comments by the public were filed as of August 2, 1999, in this case, all of which address the issues of privacy and safety raised in Staff's Motion.

The Commission is now of the opinion that the scope of the public hearing to be convened in this case on September 29, 1999, should be expanded to include the public interest issues

of privacy and safety. This Supplemental Order is issued to modify the provisions of the Order of June 11, 1999, insofar as the Commission will also consider the issues of privacy and safety in the hearing convened pursuant to § 4.A of the Plan.

Accordingly, IT IS ORDERED THAT:

(1) Bell Atlantic-Virginia, Inc. shall address in its testimony and exhibits to be prefiled on or before August 13, 1999, its response, if any, to the public issues of privacy and safety, as raised in Staff's Motion and the public's comments.

(2) Any Protestant may address in its testimony and exhibits to be filed on or before August 30, 1999, the public interest issues of privacy and safety.

(3) The Commission Staff shall address in its testimony and exhibits to be pre-filed on or before September 14, 1999, the public interest issues of privacy and safety as it considers proper.

(4) The scope of the hearing to be convened on September 29, 1999, at 10:00 a.m. shall also include the issues of privacy and safety relating to CALL54® Service.
